### D - Plagiarism policy

The plagiarism policy ensures authors give due credit to other authors while referencing and it protects the academic integrity of the research community.

- D1. All research papers submitted for publication are checked with plagiarism detection software to verify its originality and find similarity percent of a research paper. And the papers failing to satisfy the mentioned criteria are sent back to the author for modification.
- D2. If plagfarism is detected in research paper just before publication, the author will be given a chance to resubmit the paper after necessary modification as suggested by the editor. However, if the editor decides plagiarism is a major issue in the research paper, it will not be considered further for publication. D3. If plagiarism/fake identity is suspected or detected in the research paper after its publication, the research paper will be removed from the website till
- the completion of verification. In case a few paragraphs are plagiarized the author will be given a chance to modify the published paper and the research paper will be restored in the website after the editor's approval.
- D4. However, if GLOBAL CONFERENCES decides plagiarism/fake identity is a major issue in the published paper and it seriously violates the copyright of others then the paper will remain removed from publication and the author will be penalized and will be blacklisted from GLOBAL CONFERENCES and other Conference Organizers for a lifetime. Also, it will be mentioned on the journal website about the removal from publication as well as indexing services will be notified about the removal.
- D5. Authors republishing their earlier published work (self-plagiarism) will also be dealing in the same procedure as mentioned above.
